

# Building Reform Update

## Understanding Victoria's new Building Regulatory Framework

**Major reforms are reshaping Victoria's building regulatory framework.** In the last 12 months, 7 bills have been passed – not to mention the numerous Regulations and Ministerial Directions that have also been introduced. Join **Bronwyn Weir** and the **Weir Legal & Consulting** team for a practical online seminar explaining the key legislative changes, implementation timelines and what they mean for practitioners.

### What we will cover:

- An overview of the legislative changes – new and amending Acts, Regulations and Ministerial Directions
- Key commencement dates and transitional arrangements
- The new building system objective and its purpose
- The BPC's new compliance, enforcement and disciplinary powers.
- Review and appeal pathways, including at the BPC, VCAT and the new Building Appeals Tribunal.
